## Oyster Bambino wardrobe

The Oyster Bambino wardrobe is the smallest of the Oyster series of wardrobes. It opens out in two halves. One side is designed for hanging clothes or optional additional shelves. A low level lift-up panel conceals a storage space at the bottom. The other side features adjustable shelves for clothes, books or objects.

The wardrobe is intended to be playful, fun and practical with practical rounded off corners and edges. A handy cut-out in the side acts as a pull handle.

Materials include plywood and adjustable plastic feet

**Size** 800mm wide x 500mm deep x 1200mm high in its closed position
