

Oyster Minimale Wardrobe

Based on a travelling gentleman's case, the Oyster Minimale Wardrobe was designed with compactness in mind. Like a puzzle, it folds in and out to reconfigure itself from wardrobe to screened dressing area to room divider, creating a dynamic, multi-functional, sculptural piece suitable for small spaces, lofts and apartments.

The Oyster Minimale comprises an internal hanging bar, storage shelves and an external pull handle or hanging clothes bar.

The Oyster Minimale has pure finishes to express its natural form.
